

Award of Family Digital Qualified: “FerienFernFH” award-winning

The Ferdinand Porsche FernFH was awarded with the “Award of Family Digital Qualified” by the Federal Ministry for Women, Families and Youth.

For the first time, the “Award of Family Digital Qualified” from the Federal Ministry for Women, Families and Youth will be awarded to companies that promote the responsible use of digital media among children and young people through various projects and offerings, thus making a valuable contribution to strengthening media competence. With the project “FerienFernFH”, an online holiday programme for children, the Ferdinand Porsche FernFH was able to convince.

The “FerienFernFH” was developed by Andrea Waldherr and the e-learning team of FernFH: They created a child-friendly holiday programme to promote digital competence and creativity. The nine-week online course focused on a variety of tasks from the areas of art, language, movement and mathematics, which were adapted to the respective age group of the child.
